

National Chlamydia Coalition (NCC)

Special Policy Group on Adolescent Confidentiality Meeting Agenda

Friday, January 27, 2012
10:15 a.m. - 12:00 p.m.

1. Overview of purpose of the SPG
2. Brainstorm: what are the main roadblocks to adolescents receiving confidential sexual health services? What are others doing to influence policies?
3. Brainstorm: what can this SPG do—as part of the NCC—to add value and make an impact on adolescents' confidentiality for sensitive, sexual health services? What does the NCC offer?
4. Getting to specifics: what are the major action steps we will take this calendar year?
 - a. What partners do we need?
 - b. How can the NCC staff help do the work?
 - c. What resources do we need?
 - d. What are the major milestones so that we can track our progress?
5. How will we help the NCC meet its coalition-wide objectives?
 - a. How will we engage private sector health plans?
 - b. How will we interact and coordinate with the other committees?
6. Prepare report for the NCC (all committees and the SPG will report to the NCC in the following session on these questions):
 - a. What are the major actions we plan to take in 2012?
 - b. What partners and resources are we going to need?
 - c. How are we going to work with the other NCC committees and engage the private sector?

[Report to NCC should be limited to 5 minutes.]
